

# Roundabouts

Please Note: Use 2nd gear, in manual cars, for small roundabouts

**1** Position your vehicle in the left lane well in advance, unless arrows on the road or signs indicate otherwise.

**2** Use your left indicator.

**3** Give way to all vehicles already on the roundabout.

**4** Remain in the left lane as you complete your turn.

**5** Continue to use your left indicator as you exit the roundabout.

**1** Position your vehicle in the right lane well in advance, unless arrows on the road or signs indicate otherwise.

**2** Use your right indicator.

**3** Give way to all vehicles already on the roundabout.

**4** Remain in the same lane through the roundabout.

**5** Before exiting, you should use your left indicator and follow the exit lane marking.

Note: Do not turn right from the left lane unless arrows on the road indicate otherwise.

**1** Position your vehicle in the either lane well in advance, unless arrows on the road or signs indicate otherwise.

**2** Do not use your indicator until ready to exit.

**3** Give way to all vehicles already on the roundabout.

**4** Remain in the same lane through the roundabout.

**5** Before exiting, you should use your left indicator and follow the exit lane marking.

Note: Watch for vehicles exiting from the right lane.

**Left In - Left Out, Right In - Right Out,  
Straight Ahead - Either Lane**

(unless arrows on the road indicate otherwise)

## Be aware of all types of vehicles on a roundabout.

Give way to all vehicles already on a roundabout and enter only when there is a safe gap in the traffic.

### WATCH OUT FOR LARGE VEHICLES

Be alert for large trucks or cars towing caravans within a roundabout because their size means they may take up more than one lane when turning.

### WATCH OUT FOR SMALL VEHICLES

Motorcyclists and cyclists must enter and exit a roundabout in the same way as other vehicles. Motorists must look out for these smaller vehicles because they are not always easily seen and are particularly vulnerable.

**Please Note:** This publication is a guide only based on detailed provisions set out in the Queensland Traffic Act and Traffic Regulation.
